PARTNERSHIP OPPORTUNITIES

Thank you for your interest in investing in the California Retailers Association 2019 California Privacy Summit. We are excited to host the event at the beautiful Ritz Carlton in Laguna Niguel, California on October 24-25, 2019. This Summit provides CRA members and stakeholders the opportunity to hear from advocacy and legal experts as well as elected officials on the status of the California Consumer Protection Act (CCPA) and developments from the most recent legislative session. We will also strategize on next steps for the retail industry on compliance with CCPA and future public policy.

The opportunity to invest in this one-of-a-kind Summit that impacts retail in the 5th largest economy in the world is determined by our generous investors who support the Summit financially.
