**Re: AB 2700 (McCarty) Transportation electrification: grid upgrades – Removal of Opposition**

Dear Assemblymember McCarty,

We are pleased to inform you that we have withdrawn our opposition to AB 2700 as amended on June 30, 2022.

The undersigned organizations take no position on the current version of AB 2700 as the amendments address our issues and concerns. We appreciate your office and stakeholders for working with us.

Sincerely,

Roger Isom
